*There is a restart after count 40 on wall 5

The music slows at the start of this wall (5) so have a bit of fun with it if you feel so inclined!

What a great little song... it's terrific to dance to. I tried to make this dance interesting without being too hard, hope YOU find it to be so~ There's a lot of repetition so the 64 counts is not a true indication of the dance itself.

See you on the floor sometime.... Jan
